Please read the following instructions carefully

General Instructions:

1. The clock will be set at the server. The countdown timer at the right corner of the screen will display the remaining time available for you to complete the examination. When the timer reaches zero the examination ends by itself. You need to terminate the examination or submit the paper.
2. The Question Palette displayed on the right side of screen will show the status of each question using one of the following symbols:

You have not visited the question yet.

You have not answered the question.

You have answered the question.

You have NOT answered the question but have marked the question for review.

You have answered the question, but marked it for review.

The Review & Next status for a question simply indicates that you would like to look at that question again. If a question is answered, but marked for review, then the answer to that question will be considered in the evaluation, unless the status is modified by the candidate.

Navigating to a Question :

1. To answer a question, do the following:
 - a. Click on the question number in the Question Palette to go to that question directly.
 - b. To select your answer, click on one of the option among 4 options provided in question.
 - c. Click on **Save & Next** button to save your answer for the current question and then go to the next question.
 - d. Click on **Review & Next** to save your answer for the current question, mark it for review, and then go to the next question.
2. You can view all the questions by clicking on the Question Paper button. This feature is provided so that you can see the entire question paper at a glance. Note that the options for multiple choice type questions will not be shown.

Answering a Question:

1. Procedure for answering a multiple choice type question:
 - a. To select an answer for a multiple choice type question, click on one of the option among 4 options provided in question.
 - b. To deselect your chosen answer, click on the button of the chosen option again or click on the **Clear Response** button.
 - c. To change your chosen answer, click on the button of another option.
 - d. To save your answer, you MUST click on the **Save & Next** button
 - e. To mark the question for review, click on the **Review & Next** button. If an answer is selected for a question that is Marked for Review, that answer will be considered in the evaluation.
