## Course / Programme Name – Advanced GST Course Duration – 6 Days (4 Day In House & 2 Days Online through webcast mode) Organised By – GST & Indirect Taxes Committee

## **Objective:**

- To identify possible issues on the ground for businesses and legal interpretation of some of the confusing provisions.
- To allow participants to gain insights in certain topics with different perspectives with aid of old jurisprudence.
- To understand the concept of GST procedural law for ensuring compliance in review, internal and annual audit.
- To equip members to face ambiguity and anomalies in Law while in employment or as while serving the client in legal compliance, Record Keeping and enhanced Internal Control.

## Additional Two Days - Online Course

Two days at the last of the course is designed to provide an insight on handling of litigation in Indirect Taxes. Areas of the focus are, how to prepare and represent before department in various proceedings including Inspection and Search. All legal aspects under GST law in relation to adjudication, first and second appeals shall be covered. Chartered Accountant in practice engaged in handling compliances in Pre GST-& GST Era and who is interested in enhancing scope of practice from compliances to consulting and litigation could view the additional two days.

## For Whom:

As thrust will be on deliberating on advanced GST issues, the course is aimed for Members who have basic understanding of GST Laws in India along with its structure and relevant rules and are willing to study the subject in depth with other relevant laws.

Those who are identified faculty at ICAI, certificate course completed members in touch with GST may find this course particularly useful. Basic understanding of GST will not be taken up in this course.
